**State Sales Tax Exempt Status:**

*You have chosen "Exempt" for your State Sales Tax status. Your order will **NOT** process until Pitsco receives a valid copy of your state sales tax exempt certificate. If you are ordering on behalf of a tax-exempt organization then fax, email, or mail the following information to Pitsco:*

1. Team number
2. Order number
3. A valid copy of your State Sales Tax Exempt certificate.

Payment must come from the exempted entity/location for the exemption certificate to be valid. Example, if a school is tax exempt, the school must pay for the purchase; a personal credit card could not be used with the school's tax exempt status. Using an improper payment method will cause the order to be taxed.

Please submit the above items even if you have done this already for a separate team or in a previous season. You may send it:  
*by email: [ar@pitsco.com](mailto:ar@pitsco.com)*  
*by fax: 620-235-0652*

**Purchase Orders**

*You have chosen to pay for your order with a Purchase Order (PO). The terms and conditions as listed by FIRST and Pitsco are binding and final.*

Purchase orders may be submitted if you or your organization have previously established credit terms with Pitsco Education. If you have not previously established credit terms, please contact Pitsco BEFORE submitting a purchase order for your order.

Payment terms for purchase orders are net 30 (payment must be made to Pitsco within 30 days of being invoiced for your product). Failure to remit payment on time may affect your team's participation in the current and/or future seasons of *FIRST*Tech Challenge.

Your order will **NOT** process until you send the following information to Pitsco:

1. Team number
2. Order number
3. A copy of your PO.
